Sir:

Responsive to the Official Action date 12/ 06 / 2005, please amend the above-referenced Patent Application as a response within 3 months of final rejection as following:

Attached with a first page of response received on 21 Oct. 2005, which is a proof that the first reply to the USPTO in due two months after the final rejection on 22 August 2005, the applicant now according to the examiner's suggestion, the claims 6, 8 retained as original claims. And a confused wording in the claim 2, now is corrected as the original sentence.
